# Welcome

## History

Trichem South was founded in 1986, following the decision to provide the care and catering sector with a more personalised level of support, and tailored products that were manufactured in the UK.

Trichem started as, and remains, a family owned and run business. We manufacture at our Head Office in Edenbridge, Kent and our commitment is to build long term relationships with our customers. With nearly a thousand customers, we support a wide range of sectors, from care homes to catering and hospitality, schools and universities to animal welfare. We are large enough to support national care home groups whilst still small enough to provide a personal service to our local coffee shop.

This combined with traditional values of superior customer service supported with high quality products provides a cutting edge in today's competitive market.

## Purpose

We are here to help you! Whatever your sector, we will always ask what you, the client, what you would like from us. We are happy to make suggestions and work with you to find the solution to your cleaning and hygiene requirements.

Whether you are looking for ready to use triggers for convenience, our concentrated ranges of 1 or 5 litre options or you need support with paper goods or medical items, we have the answer. With our on-site laboratory, we can manufacture bespoke ranges whilst storing an extensive range at our own premises, helping fast delivery to you.

We provide various business sectors with auto-dosing systems for on-premises laundry, from care homes to hotels, universities to animal welfare sites. We offer each site a survey and report to ensure the right system and products are provided, backed up by our own engineers.

## Mission

*To be your trusted supplier for all your hygiene and cleaning requirements*

Here at Trichem South, we do not aspire to go global. Long term, valued relationships are what we strive for and offer. Our team of relationship managers work closely with each site and are here to help you. We will provide you with options to ensure you receive the best advice and service possible.

We can supply products to ensure that your premises remain germ free in a cost-effective environment for your clients and staff. Whether you run a care home, restaurant, gym, hotel or education facility, we have the options to ensure they are all kept clean. All of this backed up with our experienced head office support team, who always have the time and knowledge to talk through any questions you have and provide timely advice.

# Laundry

## BR1 – Premium Detergent

A concentrated, hard working laundry detergent which lifts stains such as blood and other soiling. It has built in emulsifiers providing additional cleaning strength for removing grease and fats. Designed for the care and nursing environment; perfect for Trichem Auto Dosing Systems.

Available in 5L, 10L and 20L containers

## LD1 – Result Laundry Detergent

A hard working liquid detergent with a pleasant perfume and built in emulsifiers providing good results on all greases and fats, including light soiling. This versatile and economic detergent can be used in multiple locations including residential homes, schools and universities, hotels and animal welfare facilities.

Available in 5L, 10L and 20L containers

## BR2 – Premium Fabric Softener

This premium fragranced softener is designed to ensure a soft feel to all fabrics after the rinse cycle. It eliminates static and makes ironing easier and the encapsulated perfume gives a long lasting fragrance, even after drying.

Available in 5L, 10L and 20L containers

## LD5 – Result Fabric Softener

This delicate fragranced softener provides a pleasant residual aroma leaving fabric soft to the touch. It also eliminates static and can be used on the majority of clothes and materials.

Available in 5L, 10L and 20L containers

## BR6 – Low Temperature Destainer

A highly effective and revolutionary destainer for use across all temperature washing. Trichem destainer works hard at wash temperatures as low as 30 degrees. This versatile product also provides sanitisation against pathogens including MRSA and C.diff, giving a 99.9% bactericidal kill rate.

Available in 10L and 20L containers

## LD3 – High Temperature Destainer

A strong hard-working peroxide destainer providing effective stain removal on white and coloured fabrics. Designed to operate at 60 degrees and above, this is perfect for soiled cotton fabrics in hotels and health care settings.

Available in 10L and 20L containers

# Laundry

## BR3 – Premium Destainer Powder

Trichem destaining powder is ideal for most fabrics, providing a boost against stubborn stains. It can be used in either the washing machine or as a pre-soak and is effective between 30-90 degrees.

Available in 10kg buckets

## REB200 – Soluble Laundry Sack

A premium soluble strip laundry sack. During the agitation of the washing process, the water soluble strip dissolves in hot or cold water releasing the contents of the sack for a normal washing procedure. At the end of the washing cycle, simply remove the disinfected polythene from the washing.

Available in boxes of 200

## Additional Specialised Ranges

As a manufacturer, Trichem can also provide a range of speciality products.

### LD18 – Laundry Emulsifier

A non-solvent emulsifier, which when used in conjunction with Auto Dosing works hard on removing the majority of grease and fats.

Available in 10L and 20L containers

### LD4 – Laundry Boost

Trichem's Laundry Boost is a premium product made to soften the water to assist the wash results. If your laundry operates in a very hard water environment with heavy mineral deposits, Trichem Boost provides a simple cost effective solution for great results first time.

Available in 10L and 20L containers

Trichem can provide a variety of auto dosing systems for all commercial machines

## 6W – Steri-Germ Washroom Sanitiser and Cleaner

A citrus fragranced washroom sanitiser, Steri-Germ is a certificated cleaner and sanitiser. It is perfect for cleaning ceramics, painted surfaces, stainless steel, laminated and non-porous surfaces. Versatile for all sectors, Steri-Germ is the ideal option offering sanitisation against a wide range of pathogens and eliminates bacteria. Conforms to **EN1276**.

Available in 5L concentrate and 6 x 750ml RTU\* (6WR)

## 6EP – All Fresh Odour Neutraliser

Trichem's All Fresh is ideal for combatting urine and other odours that can remain in care homes and hospitals and any area such as refuse collection points where unpleasant smells can occur. All Fresh actually eliminates odours (not just masking them) through the technology of dissolving the proteins that linger in carpets or on surfaces. Ideal on upholstery, curtains and carpets, All Fresh is a vital product for all homes.

Available in 5L concentrate and 6 x 750ml RTU\* (6EPR)

## 4Z – Orange Zing Disinfectant

Trichem's disinfectant comes in a zesty orange fragrance, providing a pleasant alternative to pine. Perfect for disinfecting a wide range of surfaces including floors, walls, drains and is suitable for multiple environments, including schools, nursing homes, offices, hotels and factories.

Available in 5L concentrate and 6 x 750ml RTU\* (6Z)

## 4MP – Multi Surface Sanitiser and Cleaner

Trichem's Multi Purpose Sanitiser is a chlorine based certificated Anti-bactericidal cleaner. Certificated to **EN1276 & EN13704** this versatile product is ideal for use on floors, walls, handles, ceramics, toilets and showers. **Confirmed at 1152 ppm** it is regularly used in the care home sector to combat and prevent outbreaks of diarrhoea and vomiting and Norovirus.

Available in 5L concentrate and 6 x 750ml RTU\* (6MP)

## 4V – Virucidal Surface Sanitiser and Cleaner

Trichem's Virucidal Sanitiser and Cleaner is a fast-acting product that is both effective as a certificated chemical and superb cleaner. **Certificated to EN1276, EN13704 and EN14476**, this powerful cleaner is designed for the care and nursing environment. It has dual ability to clean in dirty conditions leaving a pleasant fragrance, whilst providing excellent sanitisation in clean environments.

Available in 5L concentrate and 6 x 750ml RTU\* (6V)

## 4H – Concentrated Bleach

Trichem offers a strong concentrated bleach, effective against a wide range of pathogens leaving a clinically clean finish.

Available in 2 x 5L containers

## 6F – Furniture Polish

This superior spray provides a strong traditional fragrance. Trichem's polish is designed for removing fingerprints, surface dirt and smudges, leaving a perfect finish and beautiful shine.

Available in 6 x 750ml RTU\*

## 6K – Spot and Stain Remover

Our spot and stain remover is a gentle but strong cleaner, removing stains and marks from carpets and upholstery. Always check the surface instructions first. This versatile product can also be used as a pre-spray in extraction cleaning.

Available in 6 x 750ml RTU\*

## 7A – Carpet Cleaner

Trichem's carpet cleaner is designed for use in various busy environments. Whilst flexible at any temperature, hot water produces better results. This is a versatile solution as it can be used in extraction carpet or floor machines or in spray bottles to clean small isolated areas.

Available in 5L containers

# Housekeeping

## 6B – Toilet Cleaner

Trichem's Steri-San Perfumed Toilet Cleaner is a concentrated, thick liquid which is made to kill germs and organic deposits, leaving toilets, urinals and sanitaryware clean. Our range is safe for the environment being biodegradable.

Available in 6 x 1L bottles

## 6BP – Toilet Renovator

Our toilet renovator is a phosphoric acid based concentrated lavatory cleaner, designed to prevent and remove limescale build up. Ideally used in conjunction with Trichem's Toilet Cleaner, use regularly to ensure limescale is kept at bay.

Available in 6 x 1L bottles

## 6G – Glaze Glass and Mirror Cleaner

Our glass cleaner is a strong powerful product for any glass or stainless-steel surface. Designed for the perfect finish this can be used sparingly, and produces a sparkling clear finish.

Available in 5L RTU\* and 6 x 750ml RTU\*

## 6NC – CIF Natural Cream Cleaner

CIF, a well known branded range, is a strong working cream cleaner for most hard surfaces, including porcelain, toughened plastic and washrooms.

Available in 8 x 500ml bottles

## FL5 – Lemon Hard Surface Cleaner

A hard surface cleaner for use in wash-rooms, shops, offices, hotels, canteens public buildings etc. Suitable for all non-food contact surfaces. Lemon fragrance.

Available in 5L containers

## 5D – Floor Maintainer

Highly efficient cleaner with a pleasant fragrance. Easily burnished to a high gloss. Prolongs the life of floor finishes. A polish maintainer for linoleum, PVC, rubber, sealed cork, sealed wood, terrazzo, and thermoplastic floors.

Available in 5L containers

## ► Cleaning Trolleys – Various Models

A superb selection of all-in-one mobile trolleys for professional cleaners. The ranges are easily manoeuvrable with options of all plastic and swivel castors at the front, fixed wheels at the rear.

Easy to maintain and keep clean, the trolley is complete with a 100L vinyl flame resistant waste bag. The in-built trays have plenty of room to carry all essential cleaning materials. Optional lockable safe-box is available to fit to trolley – sold separately.

# Kitchen & Catering

Most dishwashers now come with built in auto-dosing systems ready for Trichem's powerful range of dish wash, rinse aid and glass wash detergents. Where your dishwasher does not have these systems, we can install external units to support you and ensure excellent and consistent results, reducing manual handling of potentially hazardous chemicals.

Our Relationship Managers, supported through our own Engineering Team can provide advice and the best solution for you to achieve great results on your dish wash cleaning.

## 1C – Professional Dish Wash Detergent

Our highly concentrated liquid detergent provides outstanding results, ideally suited to hard water areas.

Available in 5L, 10L and 20L containers

## 2A – Professional Rinse Aid

Our specially formulated rinse aid is designed to prevent streaking and spotting of crockery and glassware.

Available in 5L, 10L and 20L containers

## 1G – Glass Wash Machine Detergent

Trichem's formulation for enclosed glass washers leaves glasses sparkling, clean and free from tainting. Use in conjunction with Trichem's Professional Rinse Aid.

Available in 5L containers

## 4D – Crockery Destainer Powder

A hard working and soluble powder designed to support the removal of tannin in cups, crockery, stained coffee pots and cutlery. Soak then rinse items and they emerge sparkling and free from tannin stains.

Available in 10kg buckets

## GS25 / TS25 – Salt: Granulated or Tablet

Trichem offer two options of salt – both can be used in water softening units depending on preference. Granulated can also be used in smaller units for non-commercial machines.

Available in 25kg bags

## 3A – Washing Up Liquid

An economic, effective washing up liquid, offering ideal cleaning of all cutlery and crockery. As a 10% active washing up liquid, 3A is also biodegradable so safe for the environment.

Available in 10 x 1L, 5L and 20L containers

## 3B – Hi Foam Washing Up Liquid

Our Hi-Foam washing up liquid is the professional choice. At 20% active, it is concentrated and provides a long lasting foam. This detergent is perfect for hand washing dishes, cutlery and glassware. It leaves the crockery sparkling clean and streak free. Supported with a pleasant citrus fragrance, it is ideal for all catering environments.

Available in 10 x 1L, 5L and 20L containers

# Kitchen & Catering

## 4Q – Steri-Clean: Food Safe Sanitiser 30 Second Contact Time Kill Rate

Our concentrated food safe sanitiser is suited to all food preparation surfaces including hard surfaces, equipment tanks, floors and delivery vehicles. Effective against bacteria including salmonella and listeria and is non-tainting. **Certificated to 30 second contact time on surfaces. Passes EN1276.**

Available in 5L concentrate and 6 x 750ml RTU\*

## 4A – Sanitising Powder

Our sanitising powder is specially formulated for effective sanitising in food preparation areas. It can be used neat in powder form or diluted and used through triggers or sprayers. Effective in cleaning and sanitising food preparation surfaces, food equipment, slicing machinery as well as waste areas where neat application and scrubbing may be required.

Available in 10kg buckets

## 4BL – Steri-Grime: Heavy Duty Degreaser

Our specially formulated degreaser is designed to cope with the toughest cleaning, dissolving and removing grease and grime to leave a spot-less finish. Neutral in smell, safe for all kitchens as it is non-food tainting, Steri-Grime removes oils, fats and carbon. Formulated with consideration to the environment, Steri-Grime is fully biodegradable. Use in trigger sprays or buckets.

Available in 5L concentrate and 6 x 750ml RTU\* (6BL)

## 4B – Degreasing Powder

Trichem's degreasing powder is another in our range of specially formulated powders. It can be used neat or diluted and cleans and degreases dirty surfaces efficiently and rapidly. Effective on a wide variety of hard surfaces including floors, walls extractor hoods and a variety of other surfaces where scrubbing or manual cleaning is required.

Available in 10kg buckets

## 10A – Aluminium Cleaner and Descaler

Trichem's strong and effective descaler can be used to remove staining and build-up of scale on industrial and kitchen equipment.

Available in 10 x 1L and 5L containers

## 4C – Professional Oven Cleaner

Our professional oven cleaner is designed for rapid removal of grease and charred food debris. Suitable and highly effective on both interior and exterior of ovens, extraction hoods and filters as well as deep fat fryers, skillets and waffle baskets.

Available in 5L and 6 x 750ml RTU\*

## VP – Vitopan

Vitopan is a food safe multi-purpose stainless steel cleaner ideal for use on stainless steel, aluminium, chrome and laminated plastic surfaces. Cleans, polishes and protects.

Available in 500ml spray cans

## DC1 – Acid Drain Cleaner

Trichem offer a highly concentrated, strong acid based solution for the removal of silt, grease cellulose, hair and various organic solids which can cause long term blockages of drains, sinks and pipework.

Available in 1L bottles

## EDC – Enzyme Drain Cleaner

Trichem's Enzyme Drain Cleaner system is a simple and natural way of cleaning commercial drains and keeping them clear of fats, oils and grease as well as Environmental Health fines. Through our auto-dosing system, we dispense a controlled and regular application of concentrated natural micro-organisms and through its unique enzyme formulation this breaks down blockages. Multiple benefits include: compliance with local water authorities and certain building regulations, avoidance of build-up of 'fatbergs' which in turn prevents costly blockages and keeps drains free flowing and odour free. In addition, Trichem provides a free annual service of the dosing unit.

Available in 2 x 5L, 10L and 20L containers

# Cloths

## JC50 – All Purpose Cloth

A great value, lightweight and disposable all-purpose cleaning wipe, which is perforated so it provides good absorbency and dirt collection. Food contact safe. Made from a viscose and polyester blend. Colour coded.

Available in packs of 50

## LC25 – Lavette Cloths

A general purpose, heavyweight wipe with great absorbency, containing an antibacterial agent which inhibits bacterial growth and odours on the wipe. Cloths are thick, strong and durable, and can be washed and reused many times. Made from a viscose, polyester and antibacterial blend, it is also food contact safe and colour coded.

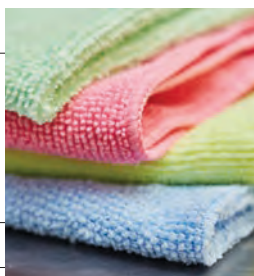

Available in packs of 25

## MFC – Microfibre Cloth

The ultra-fine microfibres capture dirt from most surfaces, is designed to create a very large surface area per fibre and are naturally statically charged so that they have a strong suction effect. Colour coded.

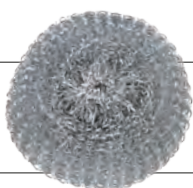

Available in packs of 10

## MS10 – Metal Scourer

A circular scourer made from fine metal mesh. Ideal for cleaning burnt-on stains from grills, barbecues and metal pans.

Available in packs of 10

## FBS10 – Foam Backed Scourer

A sponge scouring pad ideal for easy removal of stubborn dirt and for general cleaning and wiping.

Available in packs of 10

## SS10 – Green Scourer

A heavy-duty quality scouring pad designed to easily remove tougher dirt, suitable for use in catering and general cleaning.

Available in packs of 10

# Hand Soaps & Sanitisers

## 8AB – Anti-Bac Hand Soap

A bactericidal hand soap which is free from solvents and harsh chemicals. Suitable for use in all industries including kitchens, hospitals, care homes and schools especially where a sanitising soap is essential. Non fragranced.

Available in 5L and 10 x 500ml pump action bottles

## 8AL – Fragranced Hand Soap

Formulated with a fresh fragrance and a rich lather, it can be used in washrooms and most environments.

Available in 5L and 10 x 500ml pump action bottles

## 8HB – Fragranced Hair & Body Wash

A pleasantly fragranced soap suitable for hair washing and as a shower gel.

Available in 5L containers

## 8AR – Trichol Hand Sanitiser Gel

**Conforms to BS EN1276 and BS EN1500**

A post wash 70% alcohol based sanitiser. Ideal for high risk areas and to eradicate bacteria and viruses in day-to-day life.

Available in 5L and 10 x 500ml pump action bottles

## 8AS – Trichol Sanitiser Spray

**Conforms to BS EN1276 and BS EN1500**

Ideal for sanitising hard surfaces, quick drying and will kill bacteria and viruses. Can be used to sanitise hands after washing or as a substitute when hand washing is not available.

Available in 5L and 6 x 750ml trigger bottles

**We stock a variety of soap dispensers**

# Air Care

## 6A – Air Freshener

Various fragrances to suit your environment, in a 'walk around' aerosol.

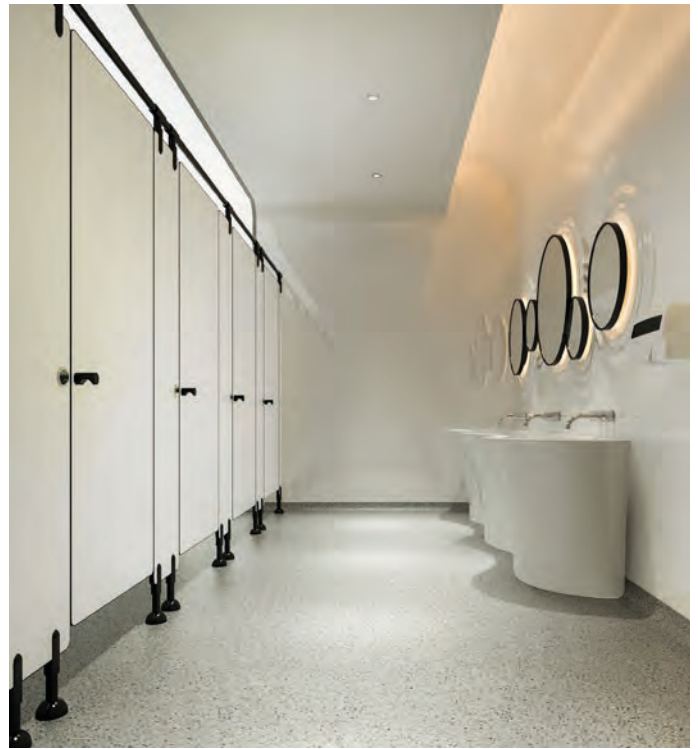

Available in packs of 12 x 240ml spray cans

## 6AA – Automatic Air Freshener

Various fragrances for our automatic dispenser, ideal for washrooms or communal areas. Set your interval spray times on your battery operated wall mounted dispenser.

Available in packs of 12 x 270ml refills

## GF – AIRGENE CE

A 'press and leave' solution targeted for use specifically in environments where infections are known to commonly occur such as hospitals, doctors and dentists surgeries, ambulances, care and nursing homes, toilets, shower rooms, hotels, schools and any areas with risk of cross contamination.

**AIRGENE CE** is a product for the airborne disinfection of surfaces of medical devices, for clinical and environmental use.

Total discharge through its 'one-shot' valve, which permits nebulisation of the content in a single application. Free of flammable and toxic ingredients, which permits its use in places where other products cannot be applied.

This is a broad spectrum biocide with rapid action against bacteria, mycobacteria, fungi and viruses as well as eliminating odours caused by bacterial decomposition. The nebulisation allows the disinfecting formula to reach difficult or non accessible areas by other means and makes AIRGENE CE suitable for terminal disinfection.

The product fulfils AMS 1452 specifications (SAE AMS 1452; disinfectant aircraft, general purpose) for the use in aircraft disinfection.

Product classified as medical device Class IIa. **Certified to BS EN 13697, 3727, 1276, 14348, 1650, 13697 including COVID-19.**

Available in 50ml (40 cubic metres) and 300ml (150 cubic metres)

# Gloves & Aprons

## DG – Disposable Gloves

We stock an extensive range of powdered and unpowdered, colour coded vinyl, latex and nitrile gloves in all sizes.

Available in boxes of 100

We stock a variety of paper dispensers

# Easy Dose

## One shot concentrate range

The Trichem Easy Dose range delivers products easily and economically in a simple, colour-coordinated system that covers all the significant requirements of your daily cleaning schedule. Products within the range include odour neutraliser, washroom cleaner, window/glass cleaner, toilet cleaner, food safe sanitiser and floor cleaner. These super concentrate cleaning products have been formulated by selecting highly effective ingredients and where appropriate, combining them with clean, fresh perfumes to provide exceptional cleaning performance with a refreshing fragrance.

### ED1 – Odour Neutraliser

Leaves a long lasting fresh and clean fragrance after every use. Contains a biocide to remove airborne bacteria that banishes lingering smells such as tobacco smoke and stale air. Ideal for freshening and removing malodours from fabrics such as curtains, cushions, rugs and carpets.

Available in 4 x 1L, 2 x 2L and 5L containers

### ED2 – Floor Cleaner and Degreaser

Ideal for use cleaning front of house floors, corridors, bathroom floors and as a general purpose degreaser. Effectively removes ground-in grease and grime.

Available in 4 x 1L, 2 x 2L and 5L containers

### ED3 – Washroom Cleaner

A high performance product offering many cleaning, disinfecting and deodorising benefits. Ideal for cleaning and descaling wash-basins, taps, showers and baths. ED3 leaves a fresh fragrance and rooms feeling deodorised and clean.

**Complies with BS EN 1276 at 30 seconds.**

Available in 4 x 1L, 2 x 2L and 5L containers

### ED4 – Food Safe Sanitiser

A food safe concentrated cleaner and sanitiser as well as an effective broad spectrum bactericide. **Passes BS EN 1276 at 30 seconds.**

Available in 4 x 1L, 2 x 2L and 5L containers

### ED5 – Toilet Cleaner

A toilet and urinal cleaner that removes soil and scale. A complete cleaner to give clean toilets and leave a refreshing citrus fragrance. Product thickens when it is mixed with water leaving a viscous liquid that clings. Safe for use on stainless steel as well as porcelain.

Available in 2 x 2L containers

### ED6 – Glass, Window and Stainless Steel Cleaner

Formulated to give a sparkling, streak-free result. It removes a wide range of soil including atmospheric grime, nicotine stains and fingerprints. Suitable for use on stainless steel where a streak-free finish is required.

Available in 4 x 1L, 2 x 2L and 5L containers

# Floor Care

All items sold individually

## KM16 – Kentucky Mop Head

The absorbent Kentucky mop for larger floor areas is made from extra hard-wearing multi-yarn. Available in various weights and flagged for easy colour coding.

## EM – Exel Mop Head

A traditional yarn mop is suitable for smoother floor surfaces like laminate or lino flooring. Available in various weights and colour coded sockets.

## EMR – Exel Revolution Mop Head

A circular mop head with a Stayflat band that holds the circular shape enabling the mop to cover a larger floor area, whilst the looped yarn prevents linting and tangling when in use. Made from a unique blend of polyester and cotton yarn for improved strength and absorbency. Colour coded.

## EMBM – Exel Disposable Mop Head

A lightweight, super-absorbent mop made from non-woven fabric strips. A great value, fast drying alternative to cotton mops, ideal for smaller areas. Colour coded sockets to help minimise cross contamination.

## VSM1 – Vileda Professional Super Mop Head

This absorbent mop head is treated with a binding agent that helps to slow down bacterial growth. When rinsed it will release dirt instead of trapping it into the cotton weave. The lemon-shaped head is perfect for getting into those awkward nooks and crannies, so it's a great choice for small areas like bars and bathrooms. Colour coded.

## WFS – Wet Floor Sign

A great value double sided A frame sign to warn against potential hazards from wet floor surfaces during and after cleaning. Made from vivid yellow plastic with bright graphics. No assembly needed, folds flat for easy storage.

## WFC – Wet Floor Cone

A bright four-sided cone with universal wet floor graphic and 'Caution' printed on all sides. Multiple units can be used with barrier chain or tape to cordon off larger areas.

## KMB – Kentucky Mop Bucket

A professional and sturdy 23L wheeled bucket, designed for strength, easy use and efficient mobility. Ideal for use with Kentucky mops up to 560g (20oz). Made in the UK from hard wearing polypropylene with dirt retaining sump for improved hygiene and available in four colours.

## EMB – Excel Mop Bucket

A 14L solid compact design, matching colour-coded wringer with high neck sieve, black handle, mop holder and overspill holes.

## HBH – Handle

A versatile aluminium 137cm handle with a screw thread which can be used with our mops, mop holders, washable brushware and squeegees. Available with colour coded handle grips.

# Floor Care

## HB12 – 30cm Broom Head

Polypropylene broom head with soft or stiff bristles for both indoor and outdoor sweeping. Suitable for use with hygiene handles. Washable and available in 4 colours. Also available in 45cm broom head size.

## B18 – 45cm Wooden Outdoor Broom

A good quality sturdy larger 45cm platform broom head with soft coco fibre bristles and 150cm handle. Ideal for outdoor or more heavy-duty sweeping tasks. Comes complete with handle fitted. Soft and stiff bristles available.

## DB1 – Dustpan and Brush Set

A professional quality dustpan and brush set with soft bristles, made from tough, hard wearing plastic. The dustpan has a rubber lip at the front for better dirt collection. Available colour coded.

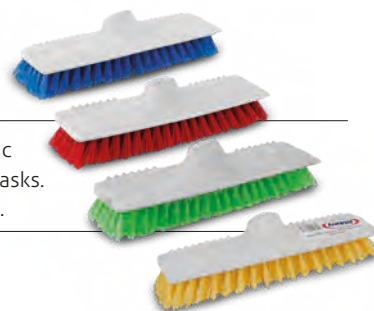

## LDB – Lobby Dust Pan and Brush

Good value dustpan and brush set for everyday litter and dust clearing. Dustpan has a rubber lip to keep it flush to the floor, and swing-up action to collect debris efficiently. Lightweight brush clips to dustpan handle, and the set hangs up for easy storage when not in use.

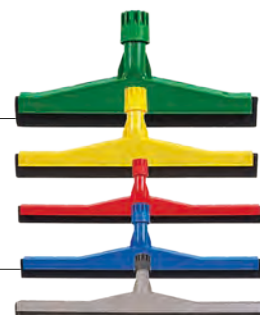

## DSP – Deck Scrubber

A sturdy scrub head with stiff plastic bristles, ideal for tough scrubbing tasks. Washable to ensure better hygiene.

## FSP – Floor Squeegee

A professional plastic squeegee with two foam rubber blades, ideal for fast cleaning and drying of all hard floors. Available in five colours for easy colour coding.

## SM – Dust Control Sweepers

Colour coded dust control sweepers with aluminium handles, frame and acrylic sweeper heads. Lightweight for ease of use, the mop heads are available in a range of sizes for efficient and effective dust control. Replacement components are available. The kit comprises a handle, frame and mop head.

# Dry Wipes

Trichem are pleased to offer a full range of Conti dry wipes.

## DW1 – Conti Lite

Conti Lite provides the most cost effective option for healthcare professionals, combining strength and performance with a light weight material.

32 x 30cm (Available in cases of 32 x 100)

## DW2 – Conti Standard

Conti Standard is ideal for everyday use providing a cost effective wipe that combines strength and performance in a light weight material.

32 x 30cm (Available in cases of 28 x 100)

## DW3 – Conti Super Soft

Conti Super Soft is the ultimate wipe for softness and absorbency. Its softness makes it ideal for cleansing all areas of the body including fragile and sensitive skin.

32 x 30cm (Available in cases of 16 x 100)

## DW4 – Conti Flushable

Conti Flushable is independently proven to be more dispersible than alternative brands, minimising the risk of costly drain blockages.

33 x 22cm (Available in cases of 15 x 50)

## DW5 – Conti Soft

Conti Soft combines softness and absorbency with a more 'textile' feel. Ideal for everyday cleansing needs and soft enough for use on fragile and sensitive skin.

30 x 32cm (Available in cases of 32 x 100)

## DW6 – Conti Washcloth

Conti Washcloth is made from airlaid tissue and is ideal for full body cleansing. Soft, strong and highly absorbent, this wipe lathers well with soap and water and remains durable even when wet.

23 x 30cm (Available in cases of 24 x 75)

## WW1 – Conti Wet Wipes

Conti Wet Wipes offer convenient cleansing for patients' hands and face, helping to keep skin feeling clean and refreshed.

24 x 22cm (Available in cases of 24 x 50)

This is just a small selection of products we stock. Other sizes and Conti product ranges also available.

# Wet Wipes

## WW150 – Anti-Bac Wet Wipes

Our tub of wet wipes are ideal for any environment needing a quick and efficient sanitising clean. For all hard surfaces. **Certified to BS EN 1276, 1650, 13727 and 14476.**

Available in tubs of 200 sheets

## WW225 – Virucidal Wet Wipes

Certified to kill Covid 19 and various other bacteria and viruses. **Certified to BS EN 14476, 1276, 13727, 1650, 13624 and 13704.** Ideal for care, hospitality, schools, offices and other environments.

Available in containers of 500 sheets

## WW500 – Patient Cleansing Wipes

A pleasantly fragranced wet wipe for hands, face and body.

Available in containers of 500 sheets

## Clinell 1 – Universal Wipes

The UK's most trusted single-step detergent and disinfectant; ideal for use on both surfaces and non-invasive medical devices. Our patented near-neutral pH formula ensures exceptional material compatibility and is proven to kill at least 99.99% of pathogens after 10 seconds, norovirus within one minute and reduce instances of MRSA by 55%. **Clinell Universal Wipes are effective against COVID-19 virus in 30 seconds.**

Available in packs of 200 sheets

## Clinell 3 – Universal Wipes

The UK's most trusted single-step detergent and disinfectant; ideal for use on both surfaces and non-invasive medical devices. Our patented near-neutral pH formula ensures exceptional material compatibility and is proven to kill at least 99.99% of pathogens after 10 seconds, norovirus within one minute and reduce instances of MRSA by 55%. **Clinell Universal Wipes are effective against COVID-19 virus in 30 seconds.**

Available in tubs of 100 sheets

## PW200 – Probe Wipes

Probe wipes eliminate cross contamination with a single stroke, killing off all potentially lethal bacteria from passing from one product to another. Rapid kill rate for busy environments.

Available in tubs of 175 sheets

## 8AC12 – Clinisan Cleansing Foam

This is often used alongside the market-leading Conti® wipes and provides a convenient gentle and effective cleansing system for continence care. Ideal for use with bariatric patients or patients with urinary and/or faecal incontinence, Clinisan™ gently lifts soiling, whilst cleansing, restoring and moisturising the skin.

Available in bottles of 12 x 400ml

# Incontinence

We stock a full selection of iD incontinence products in all sizes and absorbencies.

## iD Expert Form

Large shaped pads offering an ideal solution for managing moderate or heavy incontinence. Available in three lengths and a range of absorbency levels.

## iD Expert Slip

An all-in-one offering an effective solution for managing moderate to heavy incontinence. Available in a range of sizes and absorbencies.

## iD Expert Light

Small shaped pads designed for the management of stress or light urinary incontinence. With a wide adhesive strip, these pads are worn with conventional close fitting underwear to provide complete discretion.

## iD Expert Belt

An all-in-one product with a resealable belt and waistband. They are designed for moderate to heavy incontinence and are available in a range of sizes and absorbencies.

## iD Expert Care

Net pants design for use with the iD Expert Form Range.

## iD Pants

An ideal solution for managing moderate urinary incontinence, available in a range of sizes and absorbencies.

## iD Expert Protect

Designed to provide a high level of protection during procedures. Suitable for bed and chair protectors. Available in a range of sizes.

# Toiletries

A selection of toiletries for personal use; deodorants, shaving foams, razors, shower gel, shampoo, conditioners and toothbrushes are just a few of the items we stock.

# Medical & Patient Care

## Disposable Bibs

A perfect solution to keeping clothes dry and free from spillages. The product features an effective liquid absorbent top sheet for fast absorption.

Available in boxes of 100

## Pulp Products

Commode liners, urinals, kidney and general purpose bowls are a few of the pulp products we stock.

Available in various pack sizes

## Sterile Gauze Swabs

These gauze swabs are individually wrapped and sterile. Various sizes available.

Available in boxes of 100

## Urine Test Strips

The urine analysis test strips offer reliability and convenience in urinalysis screening and monitoring.

Available in boxes of 100

## Ear Probe Covers

Disposable probe covers compatible with all Braun and Welch Allyn Thermoscan thermometers.

Available in boxes of 200

## Blood Sampling Lancets

A single use self destruct safety lancet which has a choice of 3 depth settings. A great little product which minimises the risk of needle stick injury.

Available in boxes of 200

## Waxed Medicine Pots

A great value medicine pot for dispensing tablets to residents and patients.

Available in boxes of 250

## Measured Medicine Pots

Plastic medicine measures with 5 and 10ml graduations. Available in 30ml or 60ml pots.

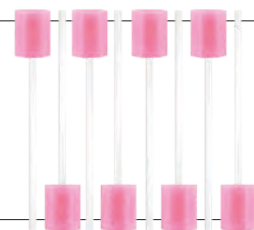

Available in boxes of 30ml: x100 or 60ml: x80

## Oral Swab Sticks

Patients who suffer from dry mouth may benefit from using these swabs. The lemon flavouring stimulates the patients taste buds, therefore producing more saliva. The glycerine in the swabs will also encourage production of saliva.

Available in boxes of 25

## Medical Accessories

Working with chosen suppliers, we can source most medical ancillaries that are vital for use in a care home environment – we have a large range of items, all competitively priced.

# Equipment

At Trichem, we can provide support to our care sector clients with a huge range of support equipment from beds to wheelchairs, hoists to walking frames. Working in partnership with some of the UK's leading brands we can support a wide variety of ranges, with options for all budgets.

## Casa Range of Low Beds

With its beautifully finished beech-effect head and foot boards, the Casa Med SE Deluxe is ideal for creating a homely feel. It has integral side rails included as standard and a Dewert motor, handset and controls. It has emergency lowering by a quick action bolt mechanism and a dual motor headrest and knee brake adjustment.

## Hoist and Lift Aid Range

Trichem offers a range of electrically operated hoists, including additional electric actuator to operate the chassis, enabling the chassis legs to be opened with ease and wheeled around a chair. Specifications vary depending on client requirements which can include high weight capacity of 250kg; Folding hoists can be vertically stored away when not in use; Quality Dewert control system as well as an on/off board charging system and charger holders; low clearance, easy access underneath beds; colour-coded brake castors and a comprehensive range of slings available.

## Pressure Care Mattresses

From simple gel cushions to advanced fully automatic dynamic therapy systems and all points in between, we offer a comprehensive choice of pressure relieving mattresses to suit all environments and clinical requirements. From simple foam options, to basic crash mattresses or Hybrid Air Flow systems to bariatric support, we can provide bespoke solutions for all budgets.

## Wheelchairs

Trichem can provide over 30 different styles and makes of wheelchair, providing options suitable for the majority of residents and clients. Features include robust steel frames for durable stability, padded armrests and nylon upholstery for easy cleaning along with ranges where folding for easy storage. Most come with lightweight aluminium wheels and footrests where required.

## Bathroom Aids

We have a wide range of bathroom and toileting aids to cover all eventualities, including fixed or gliding commodes, safety frames and raised seats.

# Equipment

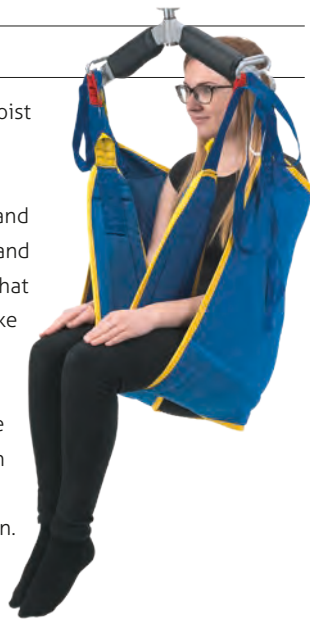

## Mobility Scooters

Our wide range of scooter models was developed to provide the convenience of a portable scooter with the comfort of larger options. Our portable scooters provide great all round suspension, top speed of 4 mph, removable seat, fold down tiller and splits easily for storage. Most units can carry up to 127kg (20st).

## Moving and Handling

Slings are a crucial component of any hoist system and the choice of which sling is paramount in providing a safe transfer. Trichem offers a wide range of designs and materials to allow comfortable moving and handling. We provide a range of slings that have a colour coded loop system to make positioning, and connection to a hoist, as simple as possible. As selection of the correct type of sling depends on the physical characteristics of the user, such as height and weight, we provide a bespoke brochure for your consideration.

## Daily Living Aids

We recognise that every individual is unique and their needs can differ greatly. This is why we have introduced a wide variety of living aids, designed to make life easier from dressing and bathing, to kitchen and bedroom options.
